[NOTE: unless otherwise indicated, paragraph (a) will be deemed to apply.]

- (a) **No recent improvements:** Seller/Borrower states there has been no work, labor or materials for repairs, additions or improvements made, ordered or contracted to be made on or to the premises, within 123 days from the date hereof, nor are there any improvements or fixtures attached to the premises which have not been paid for in full; and that there are no outstanding or disputed claims for any such work or items.
- (b) **Construction or repairs completed within the last 123 days:** Seller/Borrower and General Contractor (if any) certify that all of the persons, firms and corporations, except those whose names, if any, appear in the Construction Disclosure section of this Affidavit, including the General Contractor and all subcontractors, who have furnished services, labor or materials, according to plans and specifications, or extra items, used in the construction or repair of such improvements, have been paid in full, that there are no mechanics' or materialmen's liens against said property and no claims outstanding which would entitle the holder thereof to claim a lien against the property (except those claims, if any, which are shown in the Construction Disclosure section of this Affidavit) and that such construction or repair has been fully completed and accepted by the owner, or if not fully completed and accepted by the owner, that all persons, firms and corporations, who have furnished services, labor or materials used in such construction or repair have been paid in full or have executed a Waiver of Liens. The General Contractor hereby waives and releases his right to file a mechanics' lien against the property.
- (c) **Construction contemplated but not commenced:** Seller/Borrower and General Contractor (if any) hereby certify that no services, labor or material have been performed or furnished and no construction has taken place at the time of or prior to recording of the Deed of Trust executed or to be executed as security for the loan to finance construction of improvements/repairs. Seller/Borrower and General Contractor (if any) hereby agrees that the aforesaid Deed of Trust shall constitute a first and paramount lien for all amounts which have been or may be advanced under the relevant loan documents and Deed of Trust, and all of the claims and rights of the undersigned are hereby subordinated to the lien of said Deed of Trust.
- (d) **Construction in progress and not completed:** Seller/Borrower and General Contractor (if any) hereby certify that prior to the recording of the Deed of Trust as security for the loan to finance construction of improvements or repairs, certain materials for the property had been furnished and/or labor performed by those persons, firms or corporations whose names appear in the Construction Disclosure section of this Affidavit. Seller/Borrower and General Contractor (if any) hereby agrees that the aforesaid Deed of Trust shall constitute a first and paramount lien for all amounts which have been or may be advanced under the relevant loan documents and Deed of Trust, and all of the claims and rights of the undersigned are hereby subordinated to the lien of said Deed of Trust.
